

VSA Dispatch from The Secret Lair

Our Dear Leader is following Government guidelines and 'Working from Home' although he does seem to get confused when people ask him if he is 'WFH'. He thinks it means something a little rude!

Now that he can't travel to work, can't travel to Cornwall and can't travel overseas, he has been keeping busy and started a daily Podcast for VSA. This means that the thoughts of the Dear Leader and his range of important and distinguished guests can be accessed by all!

Even we have been surprised by the quality of speakers and so below you will find links to the various podcasts so that you will not miss out.

What is more, you can keep in touch with them all up by following @vsacapital on twitter or going to [Sound Cloud](#)
